SBL Fayette County Hospital

Mark Greer Hospital, the first hospital in Vandalia, opened its doors in 1925 to the community. Dr. Greer later sold the hospital to Fayette County and members of the Hospital District began work on a new hospital that opened in 1955.

Many changes occurred over the years and in 2022, Sarah Bush Lincoln worked with community leaders to acquire the hospital, renaming it: *Sarah Bush Lincoln Fayette County Hospital*.

Friends & Families of Sarah Bush Lincoln Fayette County Hospital (SBLFCH) is a 501c3 organization and has been the center of fundraising for our community hospital for decades.

We're proud to help Sarah Bush Lincoln invest in our facility as new programs are introduced and existing ones are enhanced, all to serve residents across the region, *regardless of their ability to pay*.

Please join Friends & Families of SBLFCH for a fun night of Binga while supporting the many needs of your community hospital.
